

Refinishing Contract

If you wish to get an estimate on a piece you want to bring in, send us a picture (via text or Facebook) of the piece as well as dimensions and what existing finish it has and we will gladly reply with an estimate. Price may vary if you desire any layering techniques to be applied (multiple layers of paint, custom graphics, etc.). Estimates are good for 90 days.

Most pieces take between two and three weeks and we try to keep our estimated time frames. Clients will be contacted if there are changes to that or when their pieces are completed. Furniture must be picked up within one week of the completion date or an extra \$20 per week storage fee will be charged. If storage fees are not paid and/or furniture is not picked up after a 4-week period, the client forfeits deposit and Aal Yours, LLC retains the rights to sell, donate, or dispose of the items.

All sales are final at time of pick up. Any changes made to the original quote may result in additional charges. Once your piece is scheduled, we respectfully ask that you keep your time slot.

Clients are also responsible for all loading and unloading of furniture. We will not be responsible for any damage to furniture during loading or unloading.

If purchasing a piece of furniture from Aal Yours Consignment, a 50% deposit is required at the time of contract signing. Full payment is due upon completion of services. Clients must agree to have all options (color, detailing, etc.) chosen within two weeks of the estimated completion date given or an extra \$20 per week storage fee will be charged until the client reaches a decision.

Furniture brought in by client must be in a clean state or an extra cleaning fee at a minimum of \$20 may be applied.

A signed copy of this agreement will be necessary to schedule a piece for refinishing.
